

## The Four Pillars and A R E<sup>SM</sup> Student Focused Instruction

1. First be effective - 4 Pillars of Effective Instruction:

2. Continue along the continuum to differentiated. Be *Assessment Driven, Responsive and Engaging*<sup>SM</sup> to make EI --> DI transition.

- A. How will I know which students needed more help?

### ***Assessment Driven***

- B. How can I provide the students who need help, more time, support and/or assistance? How can I challenge students who are ready?

### ***Responsive***

- C. How can I maximize engagement by having everyone work at the correct level of difficulty?

### ***Engaging***
